RATE INCREASE
(Docket
No. SW-04210A-10-0392**

Summary
The Links at Coyote Wash Utilities, LLC ("Links") has filed with the Arizona Corporation Commission ("Commission") an application for a permanent rate increase, using a calendar year 2009 test year ("TY"). In its application, Links reports TY gross revenues of \$154,928 and total TY operating expenses of \$167,134. Links requests an increase in revenues of \$60,000 and proposes to increase its residential flat rate from \$30.00 to \$41.60 per month and to increase the commodity rate for effluent sales from \$2.00 to \$2.77 per 1,000 gallons. Links also proposes to increase the rate for its commercial customers and to increase several of its service charges.

The Commission's Utilities Division ("Staff") has issued a Staff Report recommending that Links' residential rate be increased from \$30.00 to \$38.99 per month, that its commercial rate be increased using the formula proposed by Links but incorporating Staff's recommended residential rate, and that Links be assessed a fine of \$10,277 for billing practices not in compliance with its current Commission-approved tariff.

The Commission will determine the appropriate relief to be granted based on the evidence of record obtained through a hearing. The Commission is not bound by the proposals made by Links, Staff, or any intervenors. The final rates approved by the Commission may be higher or lower than those proposed by Links or recommended by Staff.

**How You Can View or
Obtain a Copy of the Rate
Proposal**

Copies of the application and proposed rates are available at Links' offices at 11979 William Street, Wellton, Arizona and at the Commission's Docket Control Center at 1200 West Washington, Phoenix.

About Intervention

Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you desire to intervene, you must file a written motion to intervene with the Commission no later than April 20, 2011. You must send a copy of the motion to intervene to Links or its counsel and to all parties of record. Your motion to intervene must contain the following:

1. Your name, address, and telephone number and the name, address, and telephone number of any person upon whom service of documents is to be made, if not yourself;
 2. A short statement of your interest in the proceeding (e.g., a customer of Links, etc.); and
 3. A statement certifying that you have mailed a copy of the motion to intervene to Links or its counsel and to all parties of record in the case.
- The granting of motions to intervene shall be governed

by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before April 20, 2011. For information about requesting intervention, visit the Commission's website at <http://www.azcc.gov/divisions/utilities/forms/intervenor.pdf>. The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case.
